

## 5 YEAR GENETIC HEALTH GUARANTEE

This is a FIVE YEAR genetic health guarantee from date of sale \_\_\_\_\_, covering serious life threatening genetic disease.

The adopter must provide veterinary proof of the disease, to be reviewed by the breeder's veterinarian and, if needed, a third party veterinarian of either party.

This health guarantee provides for a replacement puppy from the next available litter.

This agreement will be nulled if the following requirements are not met:

- The dog is not spayed/neutered by 12 months of age (unless otherwise agreed upon)
- Appropriate documented health care has not been given including:

Appropriate vaccines

Heartworm treatment

Other vet recommended puppy wellness care

Breeder Signature \_\_\_\_\_
